

# McCormick Parts

Notwithstanding the fact that we have taken on the Thomas line of Haying Machinery, we still carry the celebrated McCORMICK Mowers and Rakes, and we still have our very large stock of McCORMICK repair parts. All McCormick Mower owners will be taken care of as in the past, just because we have taken on a new line, we don't want you to think for a moment that we have given up the McCORMICK line of Mowers and Rakes.
